

The Philippine Retirement Authority through its Retirement Institute invites all PRA Retirees (SRR Visa holders) who would be interested to impart their skills, academic expertise and knowledge to their fellow retiree-members and PRA employees.

One of the programs of the Retirement Institute is to offer short, practical and non-credit daytime courses and lectures that will help meet the continuing demand for information, education and social activities of the PRA retiree-members.

Your support and cooperation will be a big contribution for the success of this project.

Interested PRA Retiree-Members may contact the Retirement Institute thru Mr. Remus Erlan S. Palmos, HRM Officer or Ms. Jen Ramirez, Personnel Specialist thru the following:
