

Share your blessings with the Flood Victims of Tropical Storm Sendong

The Philippine Retirement Authority is heeding the call for emergency relief goods to our countrymen who were victims of Tropical Storm Sendong. We appeal to your compassion and generosity to help these people in rebuilding their lives.

The following items are immediately needed: drinking water, blankets, sleeping mats, canned food, clothes and medicines. You may bring your donation to our office at the 29th floor Citibank Tower, Valero St., Makati City. We do not accept cash donations but you may course them to the Philippine Red Cross and other institutions.

Thank you.
