Dear Sir:

I am writing this letter in order to express my gratitude for the high quality service provided by Mr. Philip John B. Moreno and Ms. Lala P. Yason during my last visit to the Philippine Retirement Authority. They answered all my questions and quickly help me process my papers. As a foreigner, I am really grateful for their helpfulness and patience when dealing with the retirement visa applicants.

I appreciate this attitude and believe that you have trained your staffs very professionally and exceptionally well. Thank you and your staffs once again for the very pleasing experience I had in the Philippine Retirement Authority. God Bless!

Sincerely yours,

Mr. Cheng-Cheng Lee
